FEBRUARY 17-21, 2014

State Medical Response System

SMRS Expo

Hospital, Pre-Hospital, and Emergency Management personnel
FREE Emergency Preparedness Training!

Opportunities for training in:

- Hospital Preparedness Memorandum of Understanding (MOU);
- Pediatrics and/or Emergency Trauma;
- Advanced Disaster Life Support (ADLS);
- And MORE!

Where: Landers Center
4560 Venture Drive
Southaven, MS

Time: 8:00 a.m. - 4:30 p.m.

The State Medical Response System (SMRS) Expo is partially funded through an Assistant Secretary for Preparedness and Response grant to the Mississippi State Department of Health in collaboration with the Mississippi Hospital Association - Health Education & Research Foundation's Office of Hospital Emergency Preparedness, the University of Mississippi Medical Center (UMMC), and Children's of Mississippi.

Thursday of this week will be dedicated to State Medical Response System (SMRS) MOU specific training.

All MS Hospitals should plan now to have staff participate in this training session.

Additionally one and two day courses including Basic Disaster Life Support, Advanced Disaster Life Support, Medical Management of Radiation Injuries, and Pediatric Trauma Response will also be offered this week. Choose to attend one, two, three, four or five days of specialized Emergency Preparedness training during this week based on your needs and schedule.

Registration is not currently open, but more information will be available soon! Visit online at www.mhanet.org and click "[HOSPITAL PREPAREDNESS](#)" or contact Valarie Jackson at MHA at vjackson@mhanet.org for more information on this event.
